Frontend Web Developer (2016 – Present)

The Coding Boot Camp at UCLA Extension (Los Angeles, CA)

Projects

- Omnifood Website:
 - Mobile responsive website for premium food delivery service. Built with HTML5, CSS3, jQuery.
 - <https://github.com/toddcf/omnifood-delivery> | <https://omnifood-delivery.herokuapp.com/>
- RGB Color Guessing Game:
 - RGB values are randomly selected and displayed. Player clicks the square they think matches the color of these values. Built with JavaScript, HTML5, CSS3.
 - <https://github.com/toddcf/color-game> | <https://toddcf.github.io/color-game/>
- Author Website:
 - Mobile-responsive website for my novels, short stories, and MailChimp list. Built with HTML5, CSS3, jQuery.
 - <https://github.com/toddcf/toddcf> | <http://www.toddcf.com>
- Wealth Tracker:
 - User enters income and expenses. App calculates percentages and totals. Items can also be removed from the budget. Modularized into three controllers for simplicity and data privacy. JavaScript, HTML5, CSS3.
 - <https://github.com/toddcf/wealth-tracker> | <https://wealth-tracker.herokuapp.com/>
- Skywatcher Weather API:
 - Enter a city name and view current weather or forecast up to 16 days in advance. JavaScript, jQuery, HTML5, CSS3, AJAX, Open Weather Map API.
 - <https://github.com/toddcf/skywatcher-api> | <http://www.tcf-webdesign.com/projects/skywatcher-api/index.html>
- Illegal Dice Game:
 - Two-player browser game. Randomly selects and displays two dice values per roll and tallies scores according to rules of the game using JavaScript, HTML5, CSS3.
 - <https://github.com/toddcf/illegal-dice-game> | <https://illegal-dice-game.herokuapp.com/>

Coordinator, Office Administration | Sundance Institute | Los Angeles, CA | 2010 – 2017

- Managed Los Angeles office administration functions, workstations, and parking for a staff of over 100.
- Supervised reception team.
- Served as budget manager for the LA admin budget. Ensured expenses were coded and tracked, and projections were accurate. Submitted invoices and approvals to Accounting. Managed petty cash.
- Proactively streamlined office workflow processes whenever opportunity for improvement was recognized.

Lead Demonstration Specialist | Bose Corporation | Portland, OR & Los Angeles, CA | 2002 – 2009

- Trained and motivated sales team to achieve sales goals.
- Led team to District Excellence Award in 2005 and 2007.
- Achieved Summit Club two years in a row.
